

CHANNEL LETTERS & EXTERIOR SIGNS

Direct mount illuminated Snap Fitness channel letters

Dusk shot of raceway mounted channel letters

Internally illuminated sign cabinet

Illuminated channel letters are one of the most cost effective ways to advertise your new Snap Fitness franchise and capture clients twenty-four hours a day. Whether you choose front lit, or halo lit LED illuminated letters - we can design, build and install the perfect set of letters for your location. In addition, we are a UL Listed sign company which means we meet rigorous quality standards and can assist in obtaining necessary permits in any retail development or city.

- Internally illuminated sign cabinets
- Plex faces for existing pylon signs
- Printed perforated window film
- Printed mesh window shades
- Custom signs of any type interior or exterior.
